Dear The Federal Court  
Attention To A Honest Judge  
Freedom Of Information Act  
Yes I am Cathy Toole the legal  
wife of James Luther Toole  
(the deceased veteran). Yes Vicky  
Lynn Toole and Rachel Lynne  
Toole are the biological daughters  
to James Luther Toole (the deceased  
veteran). It is time for the  
Federal Court to obey the first  
Admendment of the United  
States Constitution. And let  
me Cathy Toole petition the  
Government. I Cathy Toole will  
subpoena Joe Adair from the  
VA Regional Office in Jackson,  
Ms. Why? I am requesting a  
complete copy of the paper trail  
(A copy of every VA Pension  
check dated from Feb 1985 to Jan  
1994 that went into the People's  
Bank). I Cathy Toole will subpoena  
the Secretary of the Army Pete  
Geren for two reasons. Number  
One. Read the document dated

Oct 8, 1954. My husband's right ear was injured. The injury was ordered by the Secretary of the Army in 1954. This is proof that my husband is service connected. But according to the VA to me Cathy Toole my husband is non-service connected. Number Two. I am requesting an entire copy of the paper trial (A copy of every check from the Department of the Army dated from Feb 1985 to Jan 1994 that went into the People's Bank). Cathy Toole will subpoena Chavis C. Sweetman. Read the three bank copies from the People's Bank dated Sept 30, 1998 June 30, 1998 March 31, 1998 And the letter dated Oct 8, 2007. Think about this Judge! How does three different accounts have the same account number? What is the honest account number of all three accounts? Read my decision dated Dec 6, 2006. Why? I am v. (versing) Bear Stearns & Co. How did my money get into a

Federal Reserve Bank? How much of my money was deposited into Bear Stearns & Co. Neft read the document from the United States Court Of Appeals For Veterans Claims. That document is dated Jan 9, 2008. Declaration Of Net Worth. Where is the amount that exceeded 7,000,000 (seven million dollars) located at? I fear for my life. Because, just about every where I go it is close to the People's Bank, Post Office, Pay Bills, my Bank, The Court House, To Eat, Doctor, Hospital. I will subpoena Henry Paulson the secretary of the Treasury. Read my letter dated Sept 22, 2008. Neft read the letter from the Department of the Treasury dated Oct 22, 2008. Think about this Judge! I do not need nobody to analyze or interpret no documents for me. I just need somebody to disburse my money to me. I will subpoena R L Hindman from the National Personnel Records Center. Why? See

the four attached letters. Read the letter dated Oct 27, 2000. I can confirm that Mr Toole's original military record was destroyed in the July 12, 1973 fire at this center. Next read the one without a date on it. If the record were here on July 12, 1973, it would have been in the area that suffered the most damage in the fire on that date and may have been destroyed. Next read the letter dated June 20, 2003. The Army personnel record was loaned to the Army Review Board and has not yet been returned to the National Personnel Records Center. Think about this Judge! How can the National Personnel Records Center loan the Army Review Board the record in 2003, if the records were honestly destroyed in the July 12, 1973 fire? Cathy Toole am giving you the Judge a copy of the letter from the US Army Human Resources Command.

That letter is dated Aug 27, 2008.  
The National Personnel Records Center (NPRC) is the repository of Military Personnel Files of Army Veterans where your records are located. Think about this Judge!  
How did my husband's Military Personnel Files get to the National Personnel Records Center in 2008 if the records were honestly destroyed in July 12, 1973? Without a doubt they were there all along. Cathy Toole am giving you the Judge a copy of a Clinical Record. That record is dated Jan 16, 1957. This document proves that my husband was discharged with MHB Feb 5, 1957. What does MHB stand for? Maximum Hospital Benefits! What is the VA Claim Number that the VA deleted on the Clinical Record dated Jan 16, 1957? What did my husband do during his military time that caused all the cysts to develop on his face and neck? Cathy Toole

am giving you the judge a copy of the letter that I wrote to the General Counsel's Office at the United States Court Of Appeals For Veterans Claims. That letter is dated Jan/28, 2008. I Cathy Toole am giving you the judge a copy of the first four pages of the transmission of the Record On Appeal. Read the document dated July/14, 2008. Certification Of The Record On Appeal. In accordance with U.S. Vet. App. R. 11(a) the undersigned Deputy Assistant General Counsel, Professional Staff Group VII, Office of the General Counsel, Department of Veterans Affairs, acting pursuant to 38 U.S.C. § 302(b) and 38 C.F.R. § 2.5 (5) hereby certifies that the record on appeal annexed hereto constitutes a true and accurate copy of the decision of the Board of Veterans appeals and all documents, records and papers agreed or ordered to be part of the record

on appeal. Where is the missing records that I am requesting in the letter dated Jan 28, 2008? Think about this Judge! How can any judge make a honest decision without the missing records? I did not receive a copy of the missing records. Yes I will testify that while I am sworn in under oaths. I will subpoena James B Peake (The Secretary of the Veterans Affairs) He is on my Brief. I will subpoena David L. Quinn and Richard A. Daley from the United States Court of Appeals For Veterans Claims. In the Brief from the Secretary. Whos information is Erroneous? The Court's or Cathy Toole's. I Cathy Toole am giving you the judge a copy of my Brief. That Brief is dated Aug 19, 2008. Did I Cathy Toole request my money? Yes. Will anybody disburse my money to me? No. Think about this Judge! The U.S. Government

can pass a Seven Hundred Billion Dollar bail out bill. Why can't the U.S. Government pay me the 7,000,000 (seven million dollars) that exceeded plus compound interest since the civil action on Dec 6, 2006?

Either produce an entire copy of any and all records on James Luther Toole and make me three honest decisions. And also disburse the 7,000,000 (seven million dollars). Or set me Cathy Toole a Federal Court Date under the First Admendment of the United States Constitution. I Cathy Toole am ready to enter the Federal Court Room. I Cathy Toole am ready for the Federal Court to obey one of the Admendments passed by Congress. Also in front of Lady Justice. Why? So that justice can be served. She is standing ready to execute justice. I am ready to have my pros and cons weigh out all the

U.S. Government records and letters). Cathy Toole am giving you the judge a copy of the letter from the Social Security Administration. That letter is dated Nov 30, 2008. Think about this judge! Why should I have to live on an income like this? When I have already been awarded 7,000,000 (seven million dollars). It just has not been disbursed to me yet. Will you please have mercy on me? Richard A. Daley did not use my decision dated Dec 6, 2006 in the Secretary's Brief. Yes he had a copy of it. He did not mention this decision in the Brief. Cathy Toole do realize that it is against the law for any individual like me to give false information to the U.S. Government. It should also be against the law for individuals that work for the U.S. Government. To give

individuals like me Cathy Toole  
false information. It is against  
the law to commit fraud against  
the U.S. Government. It is also  
against the law for the U.S.  
Government to commit fraud  
against the citizens of the  
United States.

What does Declaration mean?  
Agree. Because Richard A Daley  
did not disburse me my 7,000,000  
(seven million dollars) that  
I requested that has already  
been awarded to me. It meets  
the criteria of breach of contract  
from the General Counsel that  
is representing the U.S. Government.  
The Secretary's Brief should be remanded.  
God has given me enough of  
knowledge to come as far as I  
already have. And God sure is  
not going to forsake me now.  
Please call me 273-1312.
